# MINI LASER TAG

## Mini Laser Tag Party

Suitable for ages 6-12

A fantastic option for young children who are not quite ready for Battle Zone Archery. Test your laser skills against your friends.

Players are kitted out with a coloured team bib and a trusty blaster gun. This is an indoor activity so no need to wear outdoor clothing, although suitable footwear must be worn. Then it's off for full instructions and team selection, before you are taken to the purpose built games zones.

All children will have a safety briefing, and it disrupts the session if players turn up late, so please arrive in good time.

# INDOOR FOOTBALL PARTIES

## Football Party

Suitable for ages 6-12

With our indoor state of the art 3G pitch, you don't need to worry about the weather ruining the special day. If your child is football mad, look no further!

Whether it's a shorter length match for little legs or a full match with fun challenges set by a coach, we've got it covered. Our allocated party rooms are also available on request with or without food.

To reduce any risk of injury and damage to the surface all children should avoid wearing footwear with studs or blades; the correct footwear for this surface has an astro turf sole.
